Horses will never be as chesp Dr. White electric Comb Co., Deca- sgain as they were 10 years ago, said Mr. Hill. "As a matter of fact horse dealers will in the future find a ready market for their andcoals and the best prices will be obtained. The demand is greater now than it was a decade ago, and the demand is increasing. Horses ma Republic.

BUYS NEW PRINTING PLANT.

A new printing plant for the new State Printer, Willis S. Duniway, result that after taking four toutles the place of the present plant, own-Printer, and will be operated on Store. Price 50 cents and \$1.00. the office January 14, 1907. Nogutiations for the sale of the old plant to Duniway were considered by the two parties for some time. but it is understood that a price

that should the Legislature put Dusiway on silare, he will give

Two new presses will arrive for Duniway's plant early next month. and two are already on hand. Type and other accussories have been ordered, which will bring the total cust up to between \$12,000 and \$14,000. The new machinery will; be installed before January 14, so that Duniway will be really to turn out the Legislature's printing on the very first day.

Baker's plant was installed by him in 1887, and was used by him ight years When Leeds succeed-Sachery, John H. Hall and Edwin he used the plant for eight years ed Baker as State Printer in 1895 more, Leads paying Baker as compensation 25 per cent of the net profits of the office, according to Baker's statement. Whitney, who became State Printer in 1903, used the plant for the last four years, month

Baker says that he desires to present the plant to the state, but that unless the state will put the Printer on flat salary it will be of no use to the state, since the gift would only increase the emolu ments of the printer.

Davenport's Horses.

fact that Saiid Abdullah, a native enport to tend his Arabian horses, W was taken into the New York borse show at Madison Square Garden yesterday. When he saw the horses with docked tails he broke out: "It is pity? It is wrong. Where is their glory? Where is their him that the talls were ducked because some people thought it improved the horses appearance, Saild were issued 1745 certificates of sale and interest on the s me is well hand-fraud cases already disposed lab and cried: "It is not so. The tail, the leg, the head! They are all the horse. If you take one away, why not the other?" Altogether he did not think much of the display of horseflosh, but when be prosecuted. Several of them the biennial report of the State water and district bonds, which square deal. Lineiston that. But, are the hours of paradise, They the horse show for?-Springfield (Mass.) Republican.
